PERSONAL INFORMATION

Date of Birth: 21st September 1995

Gender: Male

Marital Status: Single

Nationality: Papua New Guinean

LANGUAGES

- English
- Pidgin
- Motu

PERSONAL INTERESTS

- Playing Guitar and Singing
- Music Production
- Graphics Designing
- Conspiracy Theories
- Playing Volleyball

LEADERSHIP & INTERPERSONAL SKILLS

- Team Leadership & Collaboration
- Technical Communication Skills
- Mentorship & Knowledge Sharing

PROFILE

Bachelor's Degree in Geographic Information Science with a strong foundation in geographic data analysis, data management, and reporting. Experienced in GPS operations, drone piloting, and the use of advanced GIS tools for spatial analysis and mapping.

Over time, I have expanded my technical expertise into software engineering and digital solutions development. I design and build web applications, mobile applications, business automation systems, and AI-integrated workflows. My experience includes developing custom business systems, online platforms, and automation solutions using modern programming technologies and cloud ecosystems such as Google Workspace, Google Cloud Platform, and Microsoft Azure.

My technical background also includes computer hardware, software, networking, and advanced troubleshooting, enabling me to deliver end-to-end solutions from infrastructure to application deployment.

I am passionate about leveraging technology to improve efficiency, streamline operations, and solve real-world problems. With strong teamwork, leadership training, and a proven work ethic, I thrive in collaborative environments and continuously seek new challenges and opportunities to innovate

CAREER HIGHLIGHTS

- Head Developer for the Intranet System developed in collaboration with the Development Team at Quick Response Force Communications **(QRFC)**.
- Head Developer at Zah Tech Limited, leading the ongoing development of the PNG Crime Hotspot Mobile Application.
- Assistant Front-End Developer & UAT Tester for the Centurion Licensing System at the Securities Commission of PNG.
- Currently serving as a Senior IT Database Officer, Assistant Graphics Designer, Web Developer & businessness automations Developer at the Securities Commission of PNG
- Assisted in Digital Forensics investigations with the Task Force Shield Team.
- Developed of an Online Vehicle Onboarding System for Smart Track Limited.
- Developer of the Online Loan Financial System for ZF Finance (under Zah Tech).
- Mobile Application Developer for Zah Tech Limited(SME)
- Online Content Creator & Graphics Manager for Zah Graphics (SME).
- Freelance Computer & Mobile Phone Technician providing technical support to SMEs and individuals.
- Assistant Video & Graphics Designer at Hot97FM.
- Logo Designer & Front-End Developer for HBZ.
- Assistant GIS Officer supporting spatial data and mapping at Niugini Table Birds Ltd.

CORE COMPETENCIES

- Geospatial Data & Mapping Technologies
- AI & Automation Integrations
- Full-Stack Application Development
- Cloud Systems Managment & Integration
- IT Infrastructure & Network Security
- Digital Solutions & Business Process Automation

TECHNICAL SKILLS

Geospatial & Mapping Technologies

- Geospatial Data Analysis & Spatial Interpretation **(Arc GIS, Mapinfo & QGIS)**
- Web Mapping Integration **(Google Maps API, Mapbox and Leaflet)**
- Drone-Based Aerial Surveying, Mapping & Terrain Analysis **(DGI)**

Artificial Intelligence & Automation

- AI Application Development using LLMs **(Claude, Google Gemini, DeepSeek, etc..)**
- Model Context Protocol (MCP) Integration & AI Workflow Orchestration
- Prompt Engineering & AI System Optimization
- AI-Driven Data Analytics, Image Generation & Video Generation
- OpenRouter API Integration for Multi-Model AI Systems
- Workflow Automation & Orchestration using **n8n, Google Apps Script, Supabase Cron Jobs & Event-Driven Architectures**
- Microsoft Power Automate & Microsoft Graph API Integrations
- AI-Assisted Development ("Vibe Coding") & Rapid Prototyping

Software Development

- Full-Stack Web Application Development
- Frontend Development **(React.js, Tailwind CSS, HTML5, CSS3, JavaScript)**
- Cross-Platform Mobile Development **(Flutter, React Native)**
- Android Application Development **(Android Studio)**
- Backend API Development & Integration **(RESTful Services, JSON/XML)**

CMS & Web Platforms

- Content Management Systems (**WordPress, Wix**)
- Website Deployment, Customization & Maintenance

WORK EXPERIENCE

Head Developer – Intranet System (QRFC Collaboration)

Quick Response Force Communications & Securities Commission of Papua New Guinea (QRFC & SCPNG) — Nov 2025 – Mar 2026

Port Moresby, Down Town,

- Led the design and full-stack development of a centralized intranet platform in collaboration with the QRFC development team
- Built and integrated multiple internal systems and business workflows, including:
  - HR management (staff records, onboarding, and information management).
  - Leave application and approval workflows
  - Staff data recording and internal information systems
  - Front desk management system
  - Staff gallery and internal communication features
- Developed AI-powered modules, including legal insight tools for interpreting Acts and regulations, and automated report generation tailored to different business units
- Designed a task registry system linking tasks to Key Result Areas (KRAs), Key Performance Indicators (KPIs), and organizational goals for structured performance tracking
- Integrated external APIs and customized them for internal automation and enhanced system functionality
- Integrated external website monitoring tools and anlytics into the system
- Integrated a centralized machanism improving coordination, reporting, and operational efficiency across the organization

Head Developer – PNG Crime Hotspot Mobile Application

Zah Tech Limited (SME) — 2024 – 2026

Port Moresby, Hohola 3 PNG Power Headquaters

- Lead the ongoing design and development of the PNG Crime Hotspot mobile application
- Architect and develop core front-end and back-end functionalities of the platform
- Build features for real-time crime reporting, data collection, and hotspot identification
- Implement data-driven insights and analytics to support crime trend monitoring and decision-making
- Integrate external data sources and APIs to enhance data accuracy and system capability
- Continuously improve system performance, scalability, and user experience

Cloud, DevOps & Deployment

- Cloud Platform Integration (**Google Cloud Platform, Microsoft Azure)**
- Deployment & Hosting Platforms **(Vercel)** Containerization & Deployment (Docker)
- Virtual Machine (VM) Setup & System Virtualization
- Domain Name Configuration & DNS Management - **(Go Daddy, Name Cheap etc...)**
- Version Control & Repository Management **(Git, GitHub)**

Databases & Backend Systems

- Database Design & Administration **(MySQL, Firebase, Supabase)**
- Real-Time Data Systems & Cloud Synchronization
- Supabase Backend Services & Scheduled Cron Job Automation
- **Google Appscripts** Automation

Creative & Digital Media Technologies

- Graphic Design & Digital Content Creation Tools: Adobe Photoshop, Illustrator, Canva, Figma
- Video Production & Editing (CapCut, Adobe After Effects)
- UI/UX Design & Prototyping AI-Assisted Graphic Design & Creative Prompt Engineering (Google Stitch)

VOLENTEER OR LEADERSHIP ROLES

- Youth Representative for Casuarina Street (Current)
- Native Youths Association President (Current)
- Alumni President of the Unitech Kairuku Students Association (2018)
- Music Producer and Head of H-Prod Band (Current)
- Youth Musician in the Abba's House Ministry (2018)
- President of the Unitech Kairuku Students Association (2019-2020)
- Events Cordinator for the Unitech Central Students Association (2018-2019)
- Treasurer in the Unitech Kairuku Students Assocication (2017-2018)
- Volenteered as a caretaker in the Unitech Career Expo (2017)
- Lead Musician in the Unitech Lasalian Students Group (2016-2019)
- Youth Volenteer faciltator for Jubilee Catholic Secondary, School Camp Retreat Program (2014-2015)

Assistant Front-End Developer & UAT Tester – Centurion Licensing System

Securities Commission of Papua New of Papua New Guinea — 2025

Port Moresby, Down Town,

- Contributed to front-end development, improving user interface and system usability
- Conducted User Acceptance Testing (UAT) to ensure alignment with business and regulatory requirements
- Identified, documented, and supported resolution of system bugs and issues
- Collaborated with developers and stakeholders to enhance system functionality and performance

Senior IT Officer | Web Developer | Automation Developer | Assistant Graphics Designer

Securities Commission of Papua New of Papua New Guinea — 2021-2026

Port Moresby, Down Town,

- Develop and maintain web-based systems and internal tools to support business operations
- Design and implement business process automations to improve efficiency and reduce manual workloads
- Manage organizational social media platforms, supporting digital communication and engagement
- Handle firewall management and basic network security to ensure safe and reliable system operations
- Support digital and visual design needs, including graphics and user interface enhancements

Assistant in Digital Forensics Investigations – Task Force Shield Team

Securities Commission of Papua New of Papua New Guinea — 2024-2026

Port Moresby, Down Town,

- Assisted in digital forensic investigations, including evidence extraction, analysis, and documentation
- Supported Task Force Shield operations on high-profile cases, including the Melanesian Trustees case and the Faith G case
- Handled and processed electronic data sources in line with forensic and legal standards

Developer – Online Vehicle Onboarding System

Zah Tech (SME) — 2023-2026

Hohola 3 PNG Power Headquaters

- Designed and developed a web-based vehicle onboarding system for client registration and digital data capture

AWARDS & HONOURS

- Annual Award by Securities Commission for Creativitiy & Innovation 2025
- Annual Award by Securities Commission as Commited Staff for 2024
- Certificate in ADB Capital Market
- Investigation Training
- Certificate in SILAG Training
- Degree with Merit - Bachelor in GIS
- Best Youth Rep in Casuarina Street
- Certificate in the Finaicial Literacy Program
- Certified as a Youth Facilitator at Jubilee Catholic Secondary School

TOOLS & SOFTWARES

- **Software Dev Tools** :

  Web Developemt
  - VS Code
  - Cursor IDE
  - Trae IDE
  - Google Anti-gravity
  - Lovable AI
  - Claude Code
  - Google Studio AI - Builder

  - Google Stitch
  - Figma
  - Claude Design

  Back-end
  - Google Firebase
  - Supbase
  - Google Cloud
  - Microsoft Azure
  - MS Power Automate
  - Google Appscript

- **Programming Langauges** :

  Web Developemt
  - HTML, CSS, Javascript
  - PHP
  - React

  Mobile Development
  - Java
  - React Native
  - Dart

- Built front-end and back-end functionality to streamline onboarding workflows and reduce manual processes
- Implemented secure database integration to ensure accurate and reliable record management
- Provided ongoing system improvements, support, and performance optimisation

Developer – Online Loan Financial System for ZFfinance

Zah Tech (SME) 2023-2024

Hohola 3 PNG Power Headquaters

- Designed and developed a web-based loan management system to support digital loan processing and tracking
- Built front-end and back-end features for client applications, approvals, and financial record management
- Implemented secure database integration to ensure data accuracy, confidentiality, and compliance
- Provided system enhancements, maintenance, and performance improvements to support business operations

Online Content Creator & Graphics Manager

Zah Tech (SME) 2018-Present

Hohola 3 PNG Power Headquaters

- Created digital content and managed social media platforms to support brand visibility and online engagement
- Designed marketing materials including logos, posters, social media graphics, and promotional assets
- Collaborated with clients to develop branding concepts and visual identities for businesses and SMEs
- Managed content planning, scheduling, and performance tracking to improve online reach and audience growth

Freelance Computer & Mobile Phone Technician

Self-Employed 2011- 2017

Hohola 3 PNG Power Headquaters

- Provided troubleshooting, repair, and maintenance services for computers and mobile devices for SMEs and individuals
- Installed, configured, and supported operating systems, software, and basic network setups

Freelance Computer & Mobile Phone Technician

Hot97FM - Konedobu 2019- 2020

Konedobu Port Moresby

- Assisted in the creation and editing of video content for broadcast and social media platforms
- Designed promotional graphics, on-air visuals, and marketing materials to support brand campaigns
- Collaborated with media and marketing teams to produce engaging multimedia content

SUBJECT: REFERENCE FOR SARWOM John

I write with respect to Mr. John Sarwom's request for a reference for industrial training.

John is currently a registered student (Student No.1640018.7) undertaking graduate studies in the Bachelor of Geographic Information Science (GISc) degree program at the Papua New Guinea University of Technology. He is currently in the third (3rd) year of studies.

I have known John during the course of his studies at Unitech as his immediate lecturer and mentor. As far as his academic report is concerned, his performance has been more than satisfactory and he has no adverse report on his behavior as a student. I have found John to be disciplined and committed to his academic studies. He works well in a team and has respect for his superiors as well as his peers.

Moreover, John is interested in undertaking industrial training in the GIS profession either in mapping, remote sensing or undertaking research, depending on the function(s) of your organization.

Further, the GISc program offers a complete course that addresses analysis of Remote Sensing satellite imagery, GPS data collection, geographic visualization and land/property matters. Graduates have taken up work opportunities in either the government or private sector.

Given the above, I have no hesitation in recommending John for employment commensurate with his educational background and experience. If given the opportunity, I can assure you that John will be able to provide his utmost best to prove entirely satisfactory.

Yours Sincerely,

LEWI Kari

YOUR REF:

Wednesday 14th August 2019

TO WHOM IT MAY CONCERN

Subject: **LETTER OF ACADEMIC REFERENCE FOR MR, JOHN SARWOM STUDENT # 16400187**

Dear Sir/Madam

This letter serves as an academic reference for Mr. john Sarwom

Mr. Sarwom enrolled at the Papua New University of Technology, Department of Surveying and Land Studies in 2016 to study for a degree in Geographic Information Science.

During his four years as a student in the department, I had the opportunity to teach him in the first and fourth years of his course.

During my acquaintance with Mr. Sarwom, I have observed him with eagerness and admiration. He is a committed, hard working, honest, trust worthy intelligent and an articulate person. He has a quite nature but he understands his assign tasks well and executes them with energy and enthusiasm. He asks questions when and if he is not sure of any aspects of his allocated assignments.

He is a very thoughtful and a friendly person who demonstrates consistently high respect and regard for moral and ethical values. He is a punctual and conscientious person complimented by reasonably high level of code of attire and personal hygienic

Mr. Sarwom had successfully completed all the requirements for semester one of his final year course. His GPA for semester 1 2019 is 3.15 He had performed consistent very well in all his previous semesters with GPA score ranging from 2.75 to 3.15. His aggregate GPD is 2. 99. He is one of the best performing student in his class and so a strong contender for a degree with merit award.

His present performance strongly indicates that he will successfully complete his course and will be awarded the Degree in Bachelor of Geographical Information Science in April 2020 graduation session.

If Mr. Sarwom is given the opportunity to perform in a conducive work environment, I have no doubt that his performance will exceed expectations.

Therefore, I would very strongly recommend Mr. John Sarwom to any potential employers.
